A screenshot of a dark-themed application interface. A modal dialog box titled "Añadir categoría" is centered on the screen. Inside the dialog, there is a dropdown menu with the text "¿Quieres hacer una traducción manual o automática?" and the option "Automática" selected. Below this is a text input field with the placeholder text "Escribe el nombre de la categoría en español". A yellow circle highlights the input field. At the bottom right of the dialog are two buttons: "Cancelar" and "Añadir".

8 Click "Añadir categoría"

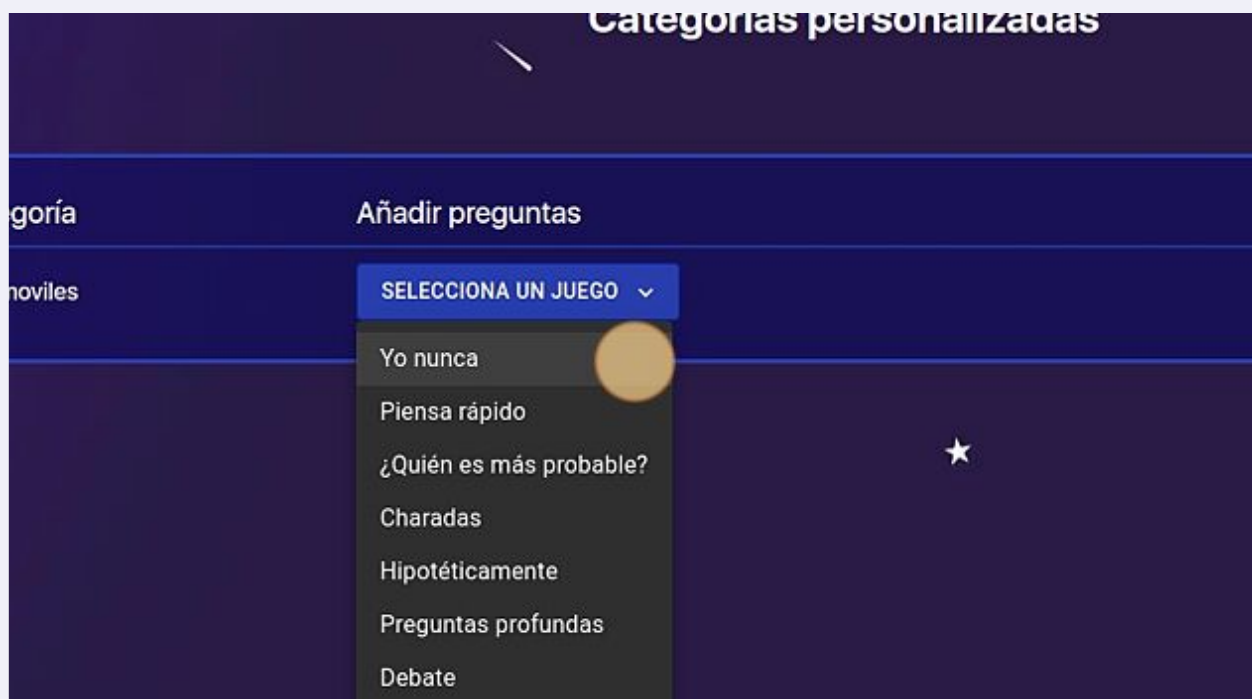

A screenshot of the same dark-themed application interface. The "Añadir categoría" dialog box is shown, but the focus is now on the "Añadir categoría" button at the bottom right, which is highlighted with a yellow circle. The input field above it is empty. The background of the application is dark and mostly obscured by the dialog box.

The screenshot shows a dark-themed user interface. On the left, there is a form with two input fields. The top field is a dropdown menu with the text "omática?" and a downward arrow. The bottom field is a text input containing the text "a llanta de carro/moto.". Below these fields are two rounded rectangular buttons. The left button is blue with the text "Cancelar". The right button is also blue but has a yellow circle highlighting it, with the text "Añadir pregunta". To the right of the form, there is a dark, blurry image of a car wheel.
